

GLOBAL SERVICES

GreerWalker is a leading Carolina-based independent certified public accounting and business advisory firm. We are among the ten largest firms in our region and among the top 150 firms in the United States. For more than two decades, our Global Services Practice has been a cornerstone of our firm.

Why GreerWalker?

Our dedicated interdisciplinary team of professionals focuses on the needs of globally engaged U.S.-based companies as well as foreign-owned U.S. subsidiaries with operations in the Carolinas and around the world. We serve privately held companies from start-ups to well established multinationals that are active in a wide range of industries, including manufacturing and distribution, technology, real estate, and professional services.

Through our experience with global business, we have developed the specialized knowledge that allows us to not only handle our clients' tax and accounting compliance needs, but more importantly, to provide value to their businesses by offering practical solutions to tax and business issues. Our goal is to help our clients become consistently profitable and financially stronger by structuring their worldwide tax liabilities in the most efficient manner possible.

SERVICES

We provide our clients with a quality service that focuses on the specific needs of each client and addresses their business challenges with creative solutions backed up by practical experience and high levels of expertise. In addition to the traditional tax and assurance services, the professionals of our Global Services Practice focus on the unique challenges that internationally operating companies face, including:

- Assurance services
- Entity choice and structure
- Expatriate services
- Financial management and accounting services
- Foreign investments in U.S. real estate
- Global tax minimization strategies
- International estate planning
- Transfer pricing compliance
- U.S. tax incentives for exporters
