

## MANUFACTURING AND DISTRIBUTION

Our Manufacturing and Distribution practice is one of the cornerstones of our firm. We have a dedicated interdisciplinary team of professionals that focuses primarily on the needs of privately held middle-market companies, their owners, and their executive teams.

### Why GreerWalker?

We are experienced in servicing clients operating in a wide range of business segments, including automobile parts and accessories, biotechnology, chemicals, food and beverage, industrial machinery, medical products, metal products, paper, plastics, and textiles. Although the manufacturing and distribution sector is large and diverse, most companies face similar challenges. We make sure that we stay abreast of the increasingly complex issues you are dealing with and can help you to identify the best and most appropriate solutions for your business.
